

Equine Angels is...

Hassle Free

Each month, your bank will draft the specified amount from your checking account or we will charge your debit/credit card. We will then send an email each month, confirming the transaction. Rest assured we will put your valued contribution to work every month for the horses.

Convenient

Once you have setup your monthly gift, no further action is required. Your donation will appear on your bank or credit card statement each month. At the beginning of each year, for tax purposes, we will send you a single receipt for all gifts received during the preceding calendar year.

Your Gift Goes Further

When you automate your gift as a monthly donor, there is no need for us to send you reminder mailings during the year. More of your gift goes directly to the horses by decreasing the costs of paper and postage.

Our Guarantee

You can change your monthly pledge amount or cancel at any time by calling, e-mailing or writing us with three weeks notice.

Please help us give horses a second chance for a healthy, happy life.

All monthly gifts will help us to:

- Feed our rescued horses, most suffering from malnutrition or starvation. Our feed bill often tops \$20,000 a year.
- Purchase nutritional supplements to restore the health of horses that are undernourished.
- Provide medical care and rehabilitation for our injured or sick horses. All of the rescued horses entrusted to our care receive medical evaluations and treatment from trusted equine veterinarians.
- Support our year-round farrier care. Most of our horses have hoof damage or disease caused by neglect or abuse.
- Maintain ranch equipment and horse supplies, including stalls, water systems, saddles, blankets, brushes, and shampoos.
- Secure our rescue operations, including emergency horse transport, truck fuel, and humane equine community education.
